

**Form 33**  
**Notice of person's wish to be party to proceedings**

[Section 274](#), Resource Management Act 1991

- To the Registrar
- Environment Court
- Auckland, Wellington, and Christchurch

I, Andrew Heaton wish to be a party to the following proceedings:

**ENV-2023-WLG-000014 Far North Solar Farm Limited**

**Topic(s): Topic: DR: Establishment and operation of a solar farm at 415 Moroa Road, and other roads – Greytown**

I am not a trade competitor for the purposes of [section 308C](#) of the Resource Management Act 1991.

I am interested in all (or part of) the proceedings.

I am interested in the following particular issues:

- All aspects of the increased risks and negative impacts to adjacent residential homes and agricultural/eco farms.
- Inadequate mitigations to the risks (especially set-back limits) for the adjacent properties.

I oppose the project in its entirety due to its lack of mitigation to the risks (known and unknown) it poses to people, people's livelihoods and the environment.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
