IN THE MATTER of the Resource Management Act 1991  
AND of a notice of motion under section 149T(2)  
to decide proposed Plan Change 7 to the

OTAGO REGIONAL COUNCIL

**MINUTE OF THE ENVIRONMENT COURT  
KINGSMILL WINES, PHILIP HORN & DONNA ABRAMS  
PLAN CHANGE 7**

**(20 November 2020)**

---

**Introduction**

[1] This Minute deals with an EPA administration error made in the processing of two submissions by:

- (a) Kingsmill Wines Ltd; and
- (b) Philip Horn and Donna Abrams.

**Background**

[2] The above submitters made two separate submissions to Otago Regional Council on proposed Plan Change 7, both dated 23 April 2020.

[3] The two submissions were incorrectly treated as one and allocated submission number 71042 and then lodged on the EPA's website under the name Kingsmill Wines Ltd. In addition, the two submissions were summarised as one submission in the summary of submissions.

[4] No further submissions were made in relation to submission no 71042.

[5] The submitters have now submitted two party notices advising that they wish to be a party to these proceedings.

**Proposed correction**

[6] I propose to record the two separate submissions as follows:

- (a) Kingsmill Wines Limited – submission point no 71042(a);
- (b) Philip Horn and Donna Abrams – submission point no 71042(b).

[7] Secondly, to attach a copy of the parties' respective submissions to their Party Notices and upload to the court's website. My Hearing Manager advises that she has spoken to the submitters and they are agreeable to this course of action. As noted, the separate submissions are uploaded onto the EPA website under the name Kingsmill Wines Ltd.

[8] Anyone opposing the proposed course of action is to advise the court in writing, stating reasons, by **3 pm Wednesday 25 November 2020**. If no opposition is received the above course of action will be taken without any further directions issuing.
