

Form 33
Notice of person's wish to be party to proceedings
Section 274, Resource Management Act 1991

To The Registrar
Environment Court
Auckland, Wellington, and Christchurch

I, Deanna Tolich, wish to be a party to the following proceedings:

The Environment Court's reference number for the proceedings ENV-2021-AKL-000014-Kristin School Charitable Trust

I am a person who has an interest in the proceedings that is greater than the interest that the general public has as I am a parent at Kristin School.

I am not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

I am interested in all the proceedings.

I am interested in the following particular issues:

Traffic flow at Kristin School is a major safety concern that affects not only the school but the surrounding community.

Currently there is only 1 access point for approximately 15-20 Kristin buses to enter and exit the school premises through Gate 1. They share this access point with The Little Doves and Junior School families. Middle and Senior School families also use Gate 1 for the drop off zone.

This has put enormous pressure on Albany Highway and Rosedale Road and generates long queues of cars that stops the free flow of traffic. The T2 lane does not alleviate any traffic congestion either. The restriction placed on the traffic movement impacts not only entry/exit access but also safe traffic movement within the school.

Kristin School has tried many different traffic solutions to keep their students and families safe, and while there was some initial improvement, there are factors that are out of the school's control - Auckland's growing population, where a family does not have access to a public transport option, to name a few. It feels like it is an accident waiting to happen when there is a viable option to access Bass Road to offer relief to the congestion traffic issues Kristin School experiences and keep our students safe.

I support the relief sought because of the reasons listed above.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
