**MINUTE OF THE ENVIRONMENT COURT  
PLAN CHANGE 1  
(27 January 2022)**

---

**Introduction**

[1] This brief Minute is released for the purpose of clarification of the Minute dated 20 January 2022 – PC1 Chapter 7 (Landfills).

[2] At [11](b) of the Minute I acknowledge that counsel for Otago Regional Council ('ORC') propose to file consent documentation (including a planning affidavit), in support of the position reached at mediation, by Friday 11 February 2022. However, this is left out of the final directions at [15].

[3] I can confirm that this was an oversight and I now issue the direction for ORC to file consent documentation (including a planning affidavit) with the parties

ORC PC1 – MINUTE 27 JANUARY 2022

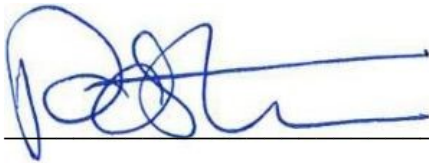

that still agree with the mediated outcome.

### **Directions**

[4] Accordingly, in addition to the directions issued at para [15] of the 20 January 2022 Minute, I direct that ORC is to file consent documentation (including a planning affidavit) in support of the position reached at mediation (with the parties that still agree) by **Friday 11 February 2022**.

[5] Leave is reserved for any party to apply for further (or other) directions.
