#### **1 PROCEDURES**

At the start of the hearing, the Court will consider any requests to:

- (a) Withdraw proceedings
- (b) Adjourn (postpone) hearings to a later date
- (c) Approve settlements agreed to all by the parties

The Court will then decide the order in which the proceedings will be heard during the hearing.

Parties must advise the Court **immediately** if they want to:

- a) settle and/or withdraw proceedings in whole or in part, or
- b) request an adjournment, that is postponing the hearing of the proceedings, until a later sitting of the Court.

Parties should notify the Court of the settlement and/or withdrawal of proceedings as soon as possible as this will enable the Court to reallocate the hearing time if necessary.

**The Court will only grant a request for adjournment if there is a good reason for doing so, even if all the parties have agreed to it.**

If any party fails to:

- a) be ready to proceed with a hearing at the time arranged for it by the Court  
or  
b) give adequate notice of withdrawal or settlement of proceedings

**then the Court may order the party or parties to pay any costs and expenses incurred by the Crown or another party. This may happen where the hearing time allocated by the Court is not used.**
