1. Waikato River Authority ("**WRA**") wishes to be a party to the appeal proceedings lodged by Oji Fibre Solutions (NZ) Ltd ("**the Appellant**") in respect of the decisions on Proposed Plan Change 1 ("**PPC1**") to the Waikato Regional Plan, which were publicly notified on 22 April 2020 ("**the Decisions Version**").
2. The WRA is the statutory body formed under the Waikato-Tainui Raupatu Claims (Waikato River) Settlement Act 2010, the Ngati Tuwharetoa, Raukawa, and Te Arawa River Iwi Waikato River Act 2010, and with additional responsibilities arising under the Nga Wai o Maniapoto (Waipa River) Act 2012.
3. As part of its statutory function, WRA sets the primary direction, through the Vision and Strategy / Te Ture Whaimana o Te Awa o Waikato ("**Te Ture Whaimana**"), to achieve the restoration of the health and wellbeing of the Waikato River for future generations. In particular, a key function of WRA is to engage with, and provide advice to, local authorities on amending Resource Management Act 1991 ("**RMA**") planning documents to give effect to Te Ture Whaimana.¹ Accordingly, WRA has an interest in the proceedings that is greater than the interest that the general public has.
4. WRA also made a submission about the subject matter of the proceedings.² WRA's submissions generally supported the notified provisions in PPC1, or sought strengthening of provisions, that ensured water quality targets would be met within an 80-year timeframe and that gave effect to Te Ture Whaimana.
5. WRA is not a trade competitor for the purposes of section 308C and 308CA of the RMA.

¹ Waikato-Tainui Raupatu Claims (Waikato River) Settlement Act 2010, s23(2)(a).

² WRA made a submission on PPC1 on 2 March 2017 and a submission on Variation 1 to PPC1 on 21 May 2018. WRA made a further submission on 17 September 2018. WRA presented evidence to the Independent Hearing Commissioners on a range of matters raised in its submission(s) on 13 March 2019.

6. WRA has filed its own appeal that identifies provisions in the Decisions Version that do not give effect to Te Ture Whaimana, but otherwise is supportive of the Decisions Version as notified.³
7. WRA is interested in all of the proceedings, in particular:
 - (a) proposed amendments to Objective 3;
 - (b) proposed deletion of Policies 2, 5 and 19;
 - (c) proposed amendments to Policies 11,12 and 13; and
 - (d) proposed deletion of Rule 3.11.4.9.
8. In respect of the relief sought by the Appellant, WRA:
 - (a) opposes the relief sought by the Appellant in respect of the amendments sought to Objective 3, on the basis that this objective, as set out in the Decisions Version, already provides for the wider economic relationship with the community and gives effect to Te Ture Whaimana;
 - (b) opposes the relief sought by the Appellant to delete Policies 2 and 5, on the basis that these policies provide strong direction to positively contribute to the health and wellbeing of the Waikato and Waipa Rivers and give effect to Te Ture Whaimana;
 - (c) opposes the relief sought by the Appellant in respect of the amendments sought to Policies 11, 12 and 13, on the basis that these amendments would weaken these policies which, as set out in the Decisions Version, are in accordance with section 104 of the RMA, and generally give effect to Te Ture Whaimana;
 - (d) opposes the relief sought by the Appellant to delete Policy 19, on the basis that this policy, as set out in the Decisions Version, provides for resource consent applicants to seek opportunities to advance achievement of the objectives in Te Ture Whaimana; and

³ ENV-2020-AKL-000090. To avoid doubt, where WRA opposes aspects of the Appellant's appeal on the basis that the Decisions Version gives effect to Te Ture Whaimana, that is subject to any challenges to the relevant provision that WRA has raised in its own appeal.

(e) opposes the relief sought by the Appellant to delete Rule 3.11.4.9, on the basis that this would weaken the provisions in PPC1 and may not give effect to Te Ture Whaimana.

9. In addition, WRA:

(a) supports any other similar or consequential relief arising from this appeal that gives effect to Te Ture Whaimana and the relief sought in WRA's notice of appeal; and

(b) opposes any other similar or consequential relief arising from this appeal that does not give effect to Te Ture Whaimana and the relief sought in WRA's notice of appeal.

10. WRA agrees to participate in mediation or other alternative dispute resolution of the proceedings.
