1. Beef+Lamb New Zealand Ltd (B+LNZ) wishes to be a party to the following proceedings:

Ballance Agri-Nutrients Limited v Waikato Regional Council
ENV-2020-AKL-000093

2. B+LNZ made a submission about the subject matter of the proceedings.
3. B+LNZ is not a trade competitor for the purposes of s 308C or 308A Resource Management Act 1991.
4. B+LNZ is interested in all of the proceedings.
5. B+LNZ is interested in the following particular issues:
 - (a) Any relief sought that is inconsistent with its appeal *Beef+Lamb New Zealand v Waikato Regional Council* ENV-2020-AKL-99.
 - (b) Any relief sought that amends the schedules under appeal that, in turn, amends the objective and policy framework and supporting rules and schedules that provide for low intensity farming.
6. B+LNZ in part supports and in part oppose the relief sought because:
 - (a) B+LNZ supports the findings of the Respondent that the Decisions Version of PC1 provides for restoration and protection of the Waikato and Waipā Rivers and their tributaries, subject to the relief sought in its appeal.
 - (b) B+LNZ is a farmer-owned, industry organisation that represents New Zealand's sheep and beef farmers, funded through a levy paid by all beef and sheep meat producers under the Commodity Levies Act 1990.
 - (c) B+LNZ supports relief sought that improves the workability of PC1, including in respect of the use of OVERSEER.

- (d) B+LNZ opposes any relief that either:
- i. Challenges the findings of the Respondent that low-intensity farming activities, including extensive drystock farms, and providing for flexibility (including in Farm Environment Plans) enables people and communities to provide for their wellbeing while at the same time recognising the Awa are degraded and ensuring that there is no further degradation and there is a pathway for improvement in the short and long term; or
 - ii. Leads to an outcome that does not give effect to the restoration and protection requirements of Te Ture Whaimana o Te Awa o Waikato / Vision and Strategy for the Waikato River.
- (e) B+LNZ is otherwise neutral on the relief sought.
7. B+LNZ agrees to participate in mediation or other alternative dispute resolution of the proceedings.
