

Form 33  
Notice of person's wish to be party to proceedings  
*Section 274, Resource Management Act 1991*

To the Registrar  
Environment Court  
Auckland

I, Coralie Ann van Camp, wish to be a party to the following proceedings:

Panuku Developments Auckland Limited (ENV-2018-AKL-000078)

I am a person who made a submission about the Americas Cup Village development

I am not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

I am interested in all (*or* part of) the proceedings.

\*The part of the proceedings I am particularly interested in is:

The proposal to extend Hobson Wharf 74 metres into the Waitemata Harbour

I am interested in the following particular issues:

The reasoning behind the decision to put a double berth on the 74 metre extension when it has been reported in the media that all the berths could be accommodated on existing land accessible to the water.

An explanation by Panuku representative at an information session not convincing that a better alternative not possible.

Generally I am supportive of all other aspects of the plan, except for the extension which would either be very permanent or a complete waste of money if dismantled in the future.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
