ENV-2018-AKL-000078: Panuku Development Ltd v Auckland Council

Willis Bond & Co is a section 274 party to the above proceedings.

Following participation in the Environment Court mediations on 19 and 30 July 2018, and review of the evidence exchanged, including the rebuttal evidence of Karl Cook and Vijay Lala attaching the applicant's revised proposed conditions of consent dated 4 September 2018, Willis Bond & Co is satisfied that the matters raised in its section 274 notice have been suitably addressed by the proposed conditions of consent.

Accordingly, Willis Bond & Co respectfully seeks leave from the Court to be excused from attending the hearing commencing 10 September 2018.

Yours faithfully
