

BEFORE THE ENVIRONMENT COURT

IN THE MATTER

of the Resource Management Act 1991 (the Act) of Notice of Motion under Section 87G requesting the granting of resource consents to WELLINGTON INTERNATIONAL AIRPORT LIMITED for the WELLINGTON INTERNATIONAL AIRPORT EXTENSION OF RUNWAY: CONSTRUCTION, OPERATION AND MAINTENANCE

(ENV-2016-WLG-000058)

**SIXTH MINUTE OF THE ENVIRONMENT COURT
(18 JANUARY 2017)**

- [1] Dr M Leighton contacted the Court this week regarding the status of her s274 notice which had been identified as "late filed" as the Court had no record of its receipt.
- [2] Dr Leighton provided email corroboration that her notice was sent to the Environment Court email address on 18 November 2016 thereby complying with the provisions of s352(1)(g) RMA. It was copied at that time to the representatives for WIAL and the Councils who received it.
- [3] Although the notice was not found and therefore not noted as received by the Environment Court email system, I accept that Dr Leighton complied with her obligations as to filing the notice with the Court.
- [4] Dr Leighton's s274 notice is accordingly noted filed in time and no waiver is required.
