

BEFORE THE ENVIRONMENT COURT

IN THE MATTER of the Resource Management Act 1991 (the Act) of Notice of Motion under Section 87G requesting the granting of resource consents to WELLINGTON INTERNATIONAL AIRPORT LIMITED for the WELLINGTON INTERNATIONAL AIRPORT EXTENSION OF RUNWAY: CONSTRUCTION, OPERATION AND MAINTENANCE
(ENV-2016-WLG-000058)

**THIRTEENTH MINUTE OF THE ENVIRONMENT COURT
(6 MARCH 2017)**

- [1] The Court acknowledges receipt of the memorandum from WIAL (copy attached) requesting an "interim adjournment" of these proceedings to enable it to consider the implications of the Court of Appeal decision in *NZ Airline Pilots Association Industrial Union of Workers Incorporated v Director of Civil Aviation and Wellington International Airport Limited* ([2017] NZCA 27).
- [2] I direct that the timetable order presently in place requiring parties to identify witnesses and issues by 10 March 2017 with an evidence exchange process to follow is suspended pending further order of the Court.
- [3] The pre-hearing conference set down for 23 March 2017 will proceed on that date. A formal hearing notice will issue this week. That gives WIAL ample time to consider the implications of the Court of Appeal decision.
- [4] WIAL is to file a memorandum by midday 21 March 2017 setting out any proposals which it wishes to advance at the pre-hearing conference for further progress of these proceedings.
