

Form 33
Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Auckland

Date 10 July 2018.

I, Keith Ingram representing the Tug William C Daldy Preservation Society, wish to be a party to the following proceedings:

- Panuku Development Auckland Limited and Auckland Council ENV-2018-AKL-78

I am a person who made a submission about the subject matter of the proceedings.

I am not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

I am interested in all the proceedings.

I am interested in the following particular issues:

Because of the expansion development proposed to the Hobson West wharf we will be displace as part of the process with no offer to return after construction is complete.

I support the application conditionally as per the reasons contained within our submission and would seek relief in the form of: *that an alternative berth be offered under the similar terms and conditions as per our current 'Heads of Agreement and lease on Hobson West.*

One that offers the same or similar access and facilities of a safe haven within the down town waterfront area.

That the cost of relocating the tug William C Daldy including any wharf or fender pile alterations be carried apportioned as part of the allocated cost of the Councils ACup36 development and hosting costs.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
